What can I say -- paucity of imagination has always characterized me.

How are you doing in getting the approvals you need or more pointedly when might we expect to see a draft with all the blanks filled in?

Though I am disappointed that your curiosity has not impelled you to review our changes, I think we are not in current need of your responses, if any. So, yes, feel free to wait. Peter

Peter -- Jon and I received Rachel's revision to the CD. We haven't looked at the changes since we were hoping that the final set of changes would be ready soon and we could make one rather than two reviews. What's the timeline look like now? Do you need us to give you our comments on the current version or can we wait? Please let us know. Thanks.

Best regards,
Robby
